Workshop on Labour Economics 2018, April 13-14

Workshop on Labour Economics 2018

The IAAEU and the Chair of Personnel Economics at Trier University are pleased to announce the 10th Workshop on Labour Economics. The workshop aims to facilitate the networking of young scientists and to promote the exchange of research ideas and results across a range of fields, including labour economics, health economics, education economics, demography and migration. Both theoretical and empirically oriented contributions are highly welcome. We particularly encourage PhD students to submit their research.

Each paper will be allocated 45 minutes, to be divided between the presentation and a discussion. Additionally, we aim to assign senior workshop participants as discussants to papers presented by Ph. D. students.

Deadline for Submission of Abstracts: January 26, 2018

Please submit electronic versions of extended abstracts or full papers not later than January 26, 2018 to feld@iaaeu.de.

Submitters will be notified about acceptance of their paper by February 28, 2018.

Prize for Best Paper

The IAAEU will honour the best paper presented at the workshop with an endowed Best Paper Award. Further, we offer the possibility of publishing selected contributions in the IAAEU Discussion Papers Series.

Conference Fee

A conference fee of 90€ will be charged to all participants. The fee will cover the costs for lunches and beverages during the workshop, course materials and the conference dinner on Friday evening.
