Workshop on Labour Economics 2017

The IAAEU and the Chair of Personnel Economics at Trier University are pleased to announce the 9th Workshop on Economics. The workshop aims to facilitate the networking of young scientists and to promote the exchange of research ideas and results across a range of fields, including labour economics, health economics, education economics, demography and migration. Both theoretical and empirically oriented contributions are highly welcome. We particularly encourage PhD students to submit their research.

Each paper will be allocated 45 minutes, to be divided between the presentation and a discussion. Paper presented by PhD students will furthermore be discussed by an assigned senior workshop participant familiar with the subject matter.

Please submit electronic versions of extended abstracts or full papers not later than January 29, 2017 to lorenz@iaaeu.de
