

Job vacancy

Student/ Research Assistant

A position as a **Student/ Research Assistant** is available in the Economics Team at the IAAEU, Trier University. The position is initially temporary with the option of extension.

The responsibilities include:

- Assisting with research projects
- Conducting research (e.g., Literature, Databases, ...)
- Supporting teaching activities
- Data cleaning, analysis, and collection

We offer:

- Flexible working hours
- Insights into economic and interdisciplinary research
- Integration into a larger international team (Chair for Personnel Economics and IAAEU)

We are searching for an employee with:

- High motivation and the ability to work independently
- A keen interest in economic topics
- Preferably some experience with statistics software such as STATA or R

We look forward to receiving your comprehensive application (Cover letter, curriculum vitae, academic achievements, and previous degree certificates, if applicable). Please submit your application to Theresa Geißler: geissler@iaaeu.de.
